Dear Dr. Rutwik S Nainoor:

Greetings from the Program Committee of the 2025 IEEE India Geoscience and Remote Sensing Symposium (InGARSS 2025)!

We are delighted to inform you that your paper with Paper ID #17 and title "2D-CNN FOR HYPERSPECTRAL UNMIXING: A FRAMEWORK FOR SPATIO-SPECTRAL SYNERGY" has been accepted for presentation in [Oral/Poster] mode at InGARSS 2025, to be held from 10th to 13th December 2025 at the International Institute of Information Technology, Bhubaneswar, Odisha, India.

On behalf of IEEE GRSS and the organizing team, we warmly invite you to join us at InGARSS 2025 and present your work to a global audience of researchers, academicians, and industry professionals. This symposium provides an excellent platform for sharing cutting-edge research, networking with peers, and fostering collaborations in the field of geoscience and remote sensing. Please login to the CMT portal for the detailed review reports.

Final Camera-Ready Paper Submission Guidelines:

Authors of accepted papers are requested to carefully follow the instructions below while preparing the final version of their manuscripts for inclusion in the IEEE InGARSS 2025 Proceedings and submission to the IEEE Xplore® Digital Library.

A. Paper Format

- The manuscript must be written in English.
- Authors are requested to ensure plagiarism/AI check. The similarity score must conform to IEEE norm. Further, if significant AI is used, add an acknowledgement. See guidelines in the InGARSS 2025 website.
- The desirable paper length is 4 pages (excluding references), and maximum paper length is 6 pages, including figures, tables, and references.
- Page size: A4 (210 mm × 297 mm).
- Font: Times New Roman, 10 pt, as per IEEE standards.
- The paper must be prepared in a two-column, single-spaced, fully justified format.
- Figures and tables must be of high quality, placed within the page limits.
- Authors must use the official IEEE templates:
 1. LaTeX Template: [Download here](#)
 2. MS Word Template: [Download here](#)

B. PDF Compliance Using IEEE PDF eXpress®

All final manuscripts must be IEEE Xplore® compliant. Papers that do not meet IEEE requirements will not be included in the proceedings. Steps to generate/check compliance:

- Go to: IEEE PDF eXpress® (<https://ieee-pdf-express.org/account/login?ReturnUrl=%2F>)
- Conference ID: 67683X
- Create an account (if new user) or log in.
- Upload your source file (Word/LaTeX) to generate an IEEE-compliant PDF, or upload your PDF for verification.
- Download the IEEE-Approved PDF and use it as the final submission.

C. IEEE Copyright Transfer

- Each accepted paper must be accompanied by a completed IEEE Electronic Copyright Transfer Form (eCF).
- The form must be submitted electronically through the Microsoft CMT portal.
- Papers without a signed copyright form cannot be published in IEEE Xplore®.

D. Final Submission

- Authors must upload the following through the Microsoft CMT submission portal once the registration process is completed:
 1. The final IEEE Xplore®-compliant PDF.
 2. The IEEE Copyright Transfer Form (to be submitted electronically through Microsoft CMT portal).
- The title, author names, and affiliations in the submission system must exactly match the

final manuscript.

- At least one author must register (<https://www.ingarss-2025.in/registration>) to ensure the paper's inclusion in the proceedings.

E. Presentation Requirement

- Each accepted paper must be presented by an author at the conference (oral or poster).
- Papers that are not presented will be deemed as "no-show" and will not be published in IEEE Xplore®, in accordance with IEEE policies.
- Detailed presentation instructions will be communicated separately.

F. Important Deadlines

- Final Camera-Ready Paper and IEEE Copyright Form Submission: 31st October 2025
- Author Registration Deadline: 14th October (Early bird) and 28th October (Late registration)

G. Author Checklist

- Paper prepared in IEEE format (max. 6 pages).
- Figures and tables are clear and legible.
- PDF checked and approved by IEEE PDF eXpress®.
- Copyright form submitted electronically through the Microsoft CMT portal.
- At least one author registered.
- Authors are requested to ensure plagiarism/AI check. The similarity score must conform to IEEE norm. Further, if significant AI is used, add an acknowledgement. See guidelines in the InGARSS 2025 website.

We look forward to your valuable contribution and active participation in making InGARSS 2025 a success.
